

9/11- "A LIE BELIEVED BY EVERYONE, IS NOT THE TRUTH"

Submitted by [PAUL LEO FASO](#) on 09/11/2012 17:02 -0400

The anonymous author of the quote I have chosen for the title of this article, probably had no idea of the implication of its original intent with regard to the monumental deception behind 9/11.

Here in 2012, a full eleven years after the attack, we are now carefully weighing the latest new version of the killing of Osama Bin Laden, a version that not only tasks the veracity of President Obama, but those offering differing accounts of this event, some even within the Navy Seal Team itself.

If you take the possibilities of variation, there are now - at least -five stories...and counting.

#1. - He died years ago of complications of kidney failure in Tora Bora.

#2. - He was murdered within his own group, as stated by Prime Minister of Pakistan Benizar Bhutto, while being interviewed by David Frost (2007), some weeks before being assassinated herself.

#3. - President Obama's current 2012 account.

#4- The Navy Seal account #1. Mark Owen book (No Easy Day)-

#5.- The Navy Seal account #2. (contesting the book)

Now... for the real aspect of this tale... that can be possibly discerned from this twisted misson as "OFFICIALLY" represented;

THE ONLY THING APPARENTLY "BURIED AT SEA"WAS THE TRUTH.

To all those Americans who have simply moved on from 9/11;

I am here today to firmly attest to this awaiting legal fact;

There is no time limit, by way of a statute of limitations on the act of murder. In the case of 9/11, multiply that by over 3000, and you will understand my mission.

To all those Americans, who now hear the debate about yet another part of the "Official Story" being contested on "60 Minutes" on the "supposed" actual events behind the killing of Osama Bin Laden, the alleged mastermind behind 9/11, understand this;

A STATE SECRET IS BEING GUARDED BY THIS CURRENT PRESIDENT;

Not only about the alleged "death" of this man, but about the alleged "life" of this man. Those dark secrets go back to the events before, during and after the 9/11 attacks and deal with the nature of the attack and all the guilty parties, who have yet to be held accountable for the mass murder of thousands of innocent Americans.

To all those Americans, who are now confused by the ramifications of this new account and the threats made by other members of the Seal Team and the Pentagon itself, to censor this Seal #1 version of events, be aware, that nothing said, by any party, relating to all of the events surrounding 9/11, can be trusted;

Which means exactly this;

Each and every detail of the entire, "Official Story" is suspect, and that... is an undeniable fact,

Whereby a judicial review of every aspect of 9/11, requires a new, full, comprehensive reinvestigation.

In 2010, the former Chairman of the Joint Chiefs of Staff, Admiral Mullen stated that our national debt was the nations single largest security threat. I was compelled then to refute this claim, on the basis of the on-going cover-up of 9/11, by stating that the Admiral had created a fallacy as a diversion from the deceitful falsehood behind the "REAL" single greatest threat to our national security.

Eleven years ago, the 9/11 attack seared the heart of this nation. We were told a guy, with a beard in a cave with a cell phone, so outwitted our entire defense apparatus with 19 Arab extremists, that in one bold move, he would come to destroy the nation, because they so hated our freedoms. Further, we were told this terrorist element had a friend in Iraq and there were weapons of mass destruction in Iraq, that were an immediate threat to our national security.

Two, DISASTROUS, debt ridden, non-declared wars later, our National Treasury is depleted, our collective debt is over 16 Trillion Dollars, the economy is a dime short of a depression, our people are living like refugees in their own land, as the forced, first time audits of the private Federal Reserve Bank reveal a complicit act of financial sodomy, so sinister, that the linked criminal looting of our Treasury, by this so called, "bank", is well beyond the scope of most human comprehension.

With all this uncovered stealth criminality taking place, the Admiral now has the temerity to ask us to believe it is this illegal, odious debt, created as part of the 9/11 deflection, and NOT to believe it is;

THE MONSTEROUS 9/11 LIES THEMSELVES, WHICH ARE, IN FACT, THE GREATEST THREAT TO OUR NATIONAL SECURITY.

During the Bush Administration's attempt to "STONEWALL" their abject FAILURE to defend our nation on 9/11, something very SUSPICIOUS happened at the Pentagon;

All of those who failed on that day, to get off one shot or place one fighter plane up, were absurdly promoted and given even more brass. In fact, not one person in Command and Control was demoted, removed or Court Martialed.

Unbelievably, just the opposite happened, all those who failed in defense of their Nation, in Command and Control, moved up in rank and received even more medals.

The Pentagon's pathetic excuse for their miserable failure to defend our people, our airspace, our cities, and even their own Headquarters, was;

They were somehow "overwhelmed and confused" by the multiple "War Games" they just happened to be "conducting" on that very same day.

Therefore it follows, that the Pentagon's fallacious plea would have us believe their primary mission;

To protect and defend the People the United States of America;

THE VERY REASON THEY EXIST IN THE FIRST PLACE;

Was criminally and recklessly negated, by their own hand, thereby, totally compromising their mission as a result of their own stupefying mass confusion, set up by a self induced War Game, they were "playing" on 9/11.

Let's get this straight this nation cannot move into the future unless 9/11 is resolved. This means the truthful exposure of all of the elements and all of the parties responsible for mass murder.

To leave unavenged, the slaughter of over 3000 Americans and let the blatant lies and omissions of the Official 9/11 Commission speak for them is an insult to history and humanity.

9/11 still remains the greatest threat to our national security. That threat is defined by the on-going attack on American freedoms - begun after 9/11, when unconstitutional laws created by cowards, were enacted by elements within our Government, as an excuse to rule this nation by fear, created by those very same dispicable cowards.

By their further encroachments upon freedom, the Federal Government has done more to destroy our Liberty than any enemy we have ever faced, whether they be real, imagined, manufactured or "buried at sea".

To watch this nation set about the world to "spread democracy" and then witness the hypocritical destruction of the liberties found within the pages of our own Constitution is beyond an affront;

It becomes a clarion call - to all Americans, to re-think everything that has been done in our name and come to terms with the reality of our condition, of whether we are still are a free People, let alone a free Nation.

All one has to do, to see this domestic tyranny and the "enemy inside the gates", is to go to a T.S.A. "Gestapo" airport, and behold the assault on liberty and the vile insult to our dead, who gave their lives willingly, in previous wars, so this form of tyranny would never be seen in this nation.

Also knowing, full well, that the hand doing the groping in your crotch today, is the very same hand of a Government, who now, has dangerously exceeded its own authority.

The whole fabricated "9/11 Official Story", perpetuated by the Executive Branch, The Congress, The Pentagon, The Intelligence Agencies, The Allies, The so called Allies, The Banks, The Corporations, and The Media are analogous to the demolition of the World Trade Center Towers themselves;

Suddenly, exploding and, blowing apart, with most of their mass, disappearing into dust, while, what little remains of hundreds of thousands of tons of steel and concrete, magically falling perfectly into their own footprints, in less than 12 seconds.....twice!

***All of the preposterous explanations, positions and arguments presented by the Government, lack sufficient truth;
That all of their contrived "facts", contain residual evidence of unadulterated deceit.***

Furthermore, that each and every lie told, even those - to this very day, as those spun by the entire falsehood of the "Official 9/11 Story", will surely collapse upon themselves;

Just like the Twin-Towers, the lies will amazingly blow apart and turn into dust, without ever exhibiting any direct evidence of receiving any external assistance... what so ever.

***PAUL LEO FASO- "G.O.P. BRAINWASHING BACKFIRES" - a further review of the above video, excerpted from CGI Media Reports Room-11/8/2012;**

"The obvious conclusion to the question of what led to the defeat of Mitt Romney can be seen in one of the most disgraceful moments in American history.

**Found in the fast forward out takes and edits compiled of the last time the Republicans won a Presidential election;
The re-election of George W. Bush in 2004.**

What is instructive here is the compressed, rapid delivery of some of the most virulent propaganda ever launched against the American People, which was pathetically directed at the Republican Base, and demonstrates the levels by which the leadership of this political "Party" will go to win an election.

Here is the Nation, overcome by the anxiety of a treacherous attack, that now, instead of receiving strength and courage to face an enemy and overcome any fear, the American People are systematically brainwashed with massive psychological doses of fear, instilled in them by the script writers of the School of Joseph Goebbels, used by the Republican Party.

The lingering spillover from this insult to the American election process has compounded itself into a methodology that runs right through the Republican Party today.

Mitt Romney and the Republicans ran on that fear, they actually still live in fear of everything; Obama, Latinos, Blacks, Orientals, Muslims....just name anything they don't have a fear of.....anything?

The Republicans reek of fear, they roll in it, they walk and they talk it, on every issue. Their leaders think it and become it. Their radio talk shows spew it, their media prints and broadcasts it, and their shallow base falls for it.

Never was fear more defined and made part of their lasting political legacy of eternal defeat, than this sick moment in history, forever documented in this video.

Have a good look at how they won their last Presidential victory and understand this;

The Republicans will never see a winning President elected by their Party, until they lose all the fear they have been instructed to live in.

The G.O.P. has morphed into a trance"
